What is the P.E.T. Pals Club?

This club is specially designed for our youngest members in the 10 and under age range. Our 3 resident small ponies head up the club with the goal of introducing children to the enjoyment and rewards of a life with horses.

Benefits of Joining

- ✓ Giving your support to a great community cause!
- ✓ Welcome card and photo of the ponies
- ✓ Quarterly newsletter
- ✓ Email updates
- ✓ Discounted fees for stable services like pony play dates and lessons
- ✓ Invitations to members only events like craft activities
- ✓ Annual Pony Party
- ✓ Rewards with the Pony Points Program
- ✓ Birthday messages and surprises for each registered child

What is the Pony Points Program?

The Pony Points Program is a reward program where you earn pony points each time you schedule and complete a Pony Play Date. Once you accumulate the required points, you will receive a certificate for a FREE Pony Play Date as our thanks to you! You will receive your points card and program outline at the first play date you schedule after you become a member.

What are the fees?

The base membership fee is \$35 per year and covers one child. For families with multiple children, you can add additional members for \$15 per child. You can register siblings and relatives such as nieces and nephews with your family.

What are the membership fees used for?

We are a not for profit organization run entirely on volunteer power. 100% of all revenue for the farm goes directly to our primary operating account which provides for the daily care of the horses that are the heart of our programs. Membership fees also support the development of our outreach programs by offsetting costs of printing, advertising and related costs. No person or persons are paid for their work at the farm.
